

ThyssenKrupp Marine Systems International Qatar

Recommendation Letter

Attn: To whom it may concern,

Networld IT Solutions Qatar W.L.L Company is engaged with us in Supply, Installation and Support for all our IT and Telecom requirements in Doha – Qatar.

We rely on Networld's "Made in Germany" Quality of Service and experience, since we appreciate their availability and professional experience in supporting small, medium and large industrial firms.

We are very satisfied by the service, commitment, and professional performance of Networld Company. And we would recommend them as an IT Suppliers, installers, and Annual Maintenance Contractors.
